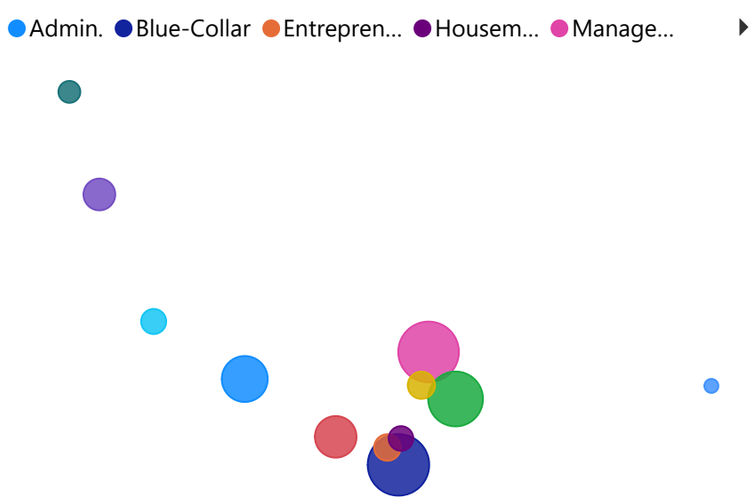
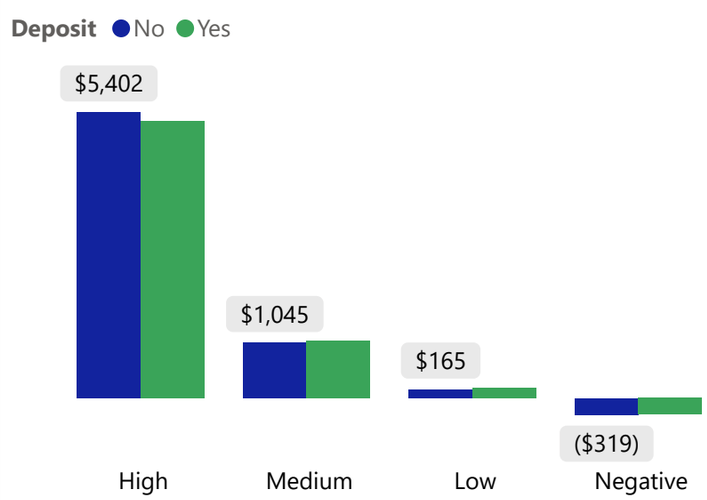
Contact Frequency vs Conversion Effectiveness



Customer Balance vs Conversion Outcome



Key Insights

- Overall conversion rate is **11.7%**, indicating moderate campaign effectiveness
- **Students and retirees** are the highest-converting segments
- **Previous campaign success (64.7%)** is the strongest predictor of conversion
- **Higher balance customers** and **cellular channel** drive better outcomes

Recommendations

- Target **high-performing segments** (students, retirees, mid-age customers)
- Leverage **previous campaign success** for remarketing strategies
- Prioritize **cellular channel** and optimize customer engagement
- Focus on **high-balance customers** and reduce effort on low-
